

JUICY BURGERS. HOMESTYLE FRIES. THICK MILKSHAKES.

Something we all grew up with. Something we can't always find.
In a world of strip malls and fast food chains, we like being different.

At Hi-Mountain, we take pride in our traditions. The food you loved as a child tastes just as good today. We strive to give you quality food paired with exceptional service.

Built in 1918 as a confectionary, the store has had very few changes since it first opened its doors. Although the pharmacy is now closed, we are still - and most likely will be for years to come - fondly known as "The Drug Store."

So, belly up to the bar, enjoy some down-home service, and take a walk down memory lane. Before you go, peek below the old-fashioned ice cream counter at the original tile mural, and help yourself to a heaping serving of nostalgia. Let us help you create special memories with your loved ones that will carry on through the years.

We look forward to seeing all our friends, whether you've traveled one mile or a thousand! We hope you'll agree we're well worth the trip.
